SECTION 2**RULES AND REGULATIONS****2.1 OBLIGATION OF THE COMPANY**

In furnishing facilities and service, the Company does not undertake to transmit messages, but furnishes the use of its facilities to its customers for communications.

The Company's obligation to furnish facilities and service is dependent upon its ability (a) to secure and retain, without unreasonable expense, suitable facilities and rights for the construction and maintenance of the necessary circuits and equipment; (b) to secure and retain without unreasonable expense, suitable space for its plant and facilities in the building where service is or is to be provided to the Customer; or (c) to secure reimbursement of all costs where the owner or operator of a building demands relocation or rearrangement of plant and facilities used in providing service herein.

The Company shall not be required to furnish, or continue to furnish, facilities or service where the circumstances are such that the proposed use of the facilities or service would tend to adversely affect the Company's plant, property, or service.

The Company reserves the right to refuse an application for service made by a present or former customer who is indebted to the Company for services previously rendered pursuant to this tariff until the indebtedness is satisfied.

Service is offered subject to the availability of the necessary facility and/or equipment and subject to the provisions of this tariff. Company reserves the right not to provide service to or from a location where the necessary facilities or equipment are not available.

The Company reserves the right to discontinue furnishing service, upon written notice, when necessitated by conditions beyond its control, or when the customer is using the service in violation of the provisions of this tariff, the rules and regulations of the Kentucky Public Service Commission or in violation of the law.

RULES AND REGULATIONS (cont'd)

2.2 LIMITATIONS ON LIABILITY (cont'd)

2.2.4 Customer-Provided Equipment

The services and facilities furnished by the Company are subject to the following limitations: the Company shall not be liable for damage arising out of mistakes, omissions, interruptions, delays, errors or defects in transmission or other injury, including but not limited to persons or property from voltages or currents transmitted over the facilities of the Company caused by customer-provided equipment or premises wire.

2.2.5 Use of Facilities of Other Companies

When the facilities of other companies are used in establishing a connection, the Company is not liable for any act, error, omission, or interruption caused by the other company or their agents or employees. This includes the provision of a signaling system database by another company.

2.3 USE OF SERVICE

Service is furnished for use by the Customer but may be used by others when so authorized by the Customer. Service may be resold or shared and the Customer may advise its user that a portion of its service is provided by the Company. However, the Customer shall not represent that the Company jointly participates with the Customer in the provision of its service.

The Company's equipment, apparatus, channels and lines shall be carefully used. Equipment furnished by the Company shall remain its property and shall be returned to the Company whenever requested, within a reasonable period following the request, in good condition (subject to reasonable wear and tear). The Customer is required to reimburse the Company for any loss of, or damage to the facilities or equipment on the Customer's premises, including loss or damage caused by agents, employees, or independent contractors of the Customer through any negligence.

2.5 BLOCKING OF SERVICE

The Company's facilities cannot be used to originate calls to other telephone companies' caller-paid information services. This includes, but is not limited to, calls to NPA 900, NXX 976, NXX 970, and other NXXs assigned to these services. Calls to those numbers and other numbers used for caller-paid information services will be blocked by the Company.

2.6 PAYMENT FOR SERVICES PROVIDED**2.6.1 Payment of Charges**

Payment for service is due upon presentation of the bill. A sample of the Company's bill format is included as Attachment 1 to the tariff. Service may be denied for nonpayment of a bill. The Customer is responsible for safeguarding the service from use by unauthorized persons, and to pay all charges for use of the service by any persons whether or not authorized by the Customer, except in those instances where it has been determined that the Customer's present and former employees, agents and authorized users were not responsible for calls billed to the Customer via third party billing and the Company did not verify that the charges for the call would be accepted. The Customer is not responsible for unauthorized use of service to the extent such use is proximately caused by the Company's willful or negligent act.

SECTION 2**RULES AND REGULATIONS (cont'd)****2.6 PAYMENT FOR SERVICES PROVIDED (cont'd)****2.6.5 Customer Overpayments**

The Company will provide interest on Customer overpayments that are not refunded within 30 days of the date the Company receives the overpayment. An overpayment is considered to have occurred when payment in excess of the correct charges for service is made because of erroneous Company billing. The Customer will be issued reimbursement for the overpayment, plus interest, or, if agreed to by the Customer, credit for the amount will be provided on the next regular Company bill. The rate of interest shall be the Company's rate applicable to Late Payment Charges.

Interest shall be paid from the date when overpayment was made, adjusted for any changes in the late payment rate, and compounded monthly, until the date when the overpayment is refunded. The date when overpayment is considered to have been made will be the date on which the Customer's overpayment was originally recorded to the Customer's account by the Company.

2.7 ACCESS TO CUSTOMERS PREMISES

The Customer shall be responsible for making arrangements or obtaining permission for Company employees or agents of the Company to enter the premises of the Customer or any joint user or Customer of the Customer at any reasonable hour for the purpose of inspecting, repairing, testing or removing any part of the Company's facilities.

SECTION 2RULES AND REGULATIONS (cont'd)2.8 INTERCONNECTION

Service furnished by Company may be interconnected with services or facilities of other authorized communications common carriers and with private systems, subject to the technical limitation established by Company. Service furnished by Company is not part of a joint undertaking with such other carriers. Any special interface equipment or facilities necessary to achieve compatibility between the facilities of Company and other participating carriers shall be provided at the customer's expense.

Interconnection with the facilities or services of other carriers shall be under the applicable terms and conditions of the other carrier's tariffs. The customer is responsible for taking all necessary legal steps for interconnecting his or her customer- provided terminal equipment or communications systems with the Company. Customers shall secure all licenses, permits, rights-of-way, and other arrangements necessary for such interconnections.

2.9 SUSPENSION OR TERMINATION OF SERVICE2.9.1 Suspension or Termination for Nonpayment

In the event that any bill rendered is not paid, the Company may terminate or suspend service until the bill has been paid. If service is suspended or terminated for nonpayment, the Customer must pay any payment due prior to reconnection.

RULES AND REGULATIONS (cont'd)

2.9 SUSPENSION OR TERMINATION OF SERVICE (cont'd)

2.9.3 Verification of Non-payment

Service shall not be terminated or suspended for non-payment of a bill rendered unless:

- a. The Company has verified, in a manner approved by the Kentucky Public Service Commission, that payment has not been received at any office of the Company or at any office of an authorized collection agent through the end of the period indicated in the notice;
- b. The Company has checked the Customer's account on the day that suspension or termination is to occur to determine whether payment has been posted to the Customer's account as of the opening of business on that day.

2.9.4 Termination For Cause Other Than Non-payment:

2.9.4.A After providing ten (10) day written notice to the Customer, the Company may, without liability of any nature, temporarily deny, terminate, or suspend Service to any Customer who:

1. Willfully damages the Company equipment, interferes with use of the Company's Service by other Customers of the Company;
2. Unreasonably places capacity demands upon the Company's Facilities or Service;
3. Violates any statute or provision of law, or any rule or regulation of any state or federal regulatory agency relating to communications;
4. Otherwise fails to comply with the provisions of this Tariff (after the Company has made a reasonable effort to obtain customer compliance) or applicable law.

RULES AND REGULATIONS (cont'd)

2.10 PROVISIONS APPLICABLE TO CUSTOMERS

2.10.1 Cancellation of Service by the Customer

Service may be canceled by the Customer by giving notice to the Company up to the day cancellation is requested.

If the Customer orders service requiring special facilities dedicated to the customer's use and then cancels the order before the service begins, or before completion of some other period mutually agreed upon by the Customer and Company, a charge will be made to the customer for the non-recoverable portions of expenditures or liabilities incurred expressly on behalf of the Customer by Company and not fully reimbursed by installation and monthly charges. If, based on the order, any construction has either begun or been completed, but no service provided, the non-recoverable cost of such construction shall be borne by the Customer. Such charges will be determined on an individual case basis.

2.10.2 Dishonored Checks

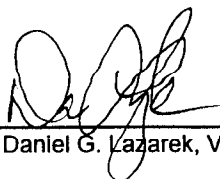

If a business Customer who has received a notice of discontinuance pays the bill with a check that is subsequently dishonored, and the account remains unpaid, then the Company is not required to issue any additional notice before disconnecting service.

Business Dedicated Access is a Private Line service that allows the Customer to access the Company's network via dedicated access facilities. Dedicated Access Service is targeted to large volume users who can take advantage of dedicated access, where facilities are available. Service is offered and can be configured for 1+ Service and 800 Service.

Business Dedicated Access Service may be obtained on a fixed term basis with a minimum of a one (1) year commitment, with a minimum requirement of greater than thirty thousand (30,000) minutes of usage per month. If usage is less than the minimum requirement, the Customer will be charged a penalty equal to the shortage of minutes of usage multiplied by the rate per minute. If the Customer terminates service prior to the expiration of the term, the Customer will be liable for any installation charges that were initially waived. The Customer must give written notice to the Company to disconnect the service forty-five (45) days prior to the end of the one term.

Features include:

- Access Integration enables any or all channels to be used for both outgoing calls and incoming toll-free calls.
- Dialed Number Identification Service (DNIS) allows one location to receive identified multiple 800 calls.
- Account Codes and Verified Account Codes help the Customer prevent abuse by tracking the cost and origination of calls.

SECTION 5**SERVICE OFFERINGS (cont'd)****5.10 PRIVATE LINE SERVICE DESCRIPTION (cont'd)****5.10.2 Point To Point Service Description**

Point To Point Service is a Private Line Service that allows the Customer point-to-point or point-to-multipoint service via a dedicated connection. Point To Point Service is targeted to large volume users who can take advantage of Private Line Service, where facilities are available. Service is available at Voice Grade, 56kbps and DS1 (1.544 mbps) speeds.

Point To Point Service may be obtained on a fixed term basis for a period of one (1), two (2), three (3), four (4), or five (5) years. A specified discount, corresponding to the length of the term commitment, that will apply for the life of the plan, will be applied to the Inter-Office Channel (IOC) portion of the charges.

If a Customer terminates service prior to completion of the term commitment, the Customer will pay termination charges for any unexpired portion of the term remaining after the forty-five (45) day notice period required for cancellation of Point to Point Service. The Customer shall be liable for termination charges equal to one hundred percent (100%) of the monthly recurring IOC charges for any remaining portion of the first year of the term, and twenty five percent (25%) of the IOC charge for the remainder of the subsequent years of the term. In addition, the Customer will be liable for any installation charges that were previously waived. A Customer may terminate a Fixed Term Plan prior to its expiration without liability if:

- a) a revision in the tariff results in a higher IOC rate for the Customer and the Customer provides written notice to discontinue the plan within forty-five (45) days of notification of such increase;
- b) the Customer replaces the existing arrangement with a new arrangement which expires on or after the expiration date of the existing plan.

Citizens Select Calling Plan is a long distance plan that allows the Business Customer to access the Company's network via switched or dedicated access facilities. Service is offered for 1+ Switched Access Service, 800 Service, Dedicated Access Service, and Calling Card Service.

1+ Switched Access and 800 Services are flat rated.

Dedicated Access Service is flat rated with additional monthly recurring charges and initial non-recurring charges.

Calling Card Service is flat rated with a per call surcharge.

1+ Switched Access Service and 800 Service Customers may select a discounted flat rate plan by enrolling in a one, two, or three year term plan and committing to an annual net usage level of \$1,200, \$6,000, \$12,000, \$24,000, or \$60,000. Dedicated Access Service Customers may select a reduced flat rate plan by enrolling in a one, two, or three year term plan and committing to an annual net usage level of \$24,000, \$60,000, or \$120,000. Customers must select both an annual volume commitment and a term plan to qualify for enrollment and the associated rates. All long distance usage contributes to the annual volume commitment. If after the end of the term commitment, the Customer has billed less than the annual volume commitment they will be billed the difference between actual usage and the annual volume commitment.

The Customer may exit the term agreement during the initial ninety (90) days of the term without termination liability. If the Customer discontinues service after the initial ninety (90) days but prior to completion of the term commitment, the Customer will be billed the difference between the accumulated usage under the term commitment and the minimum annual volume commitment for the current year. In addition, the Customer will be billed the minimum annual volume commitment multiplied by the number of years remaining under the term commitment.

In the event of a rate increase, by the Company, the Customer may discontinue service within sixty (60) days without termination liability.

A move of this type will be considered a disconnection of service at one location and a reinstallation of the same service at the new location. The Customer will be responsible for the entire reinstallation charges. This type of move will not constitute a break in the original term agreement.

5.10.4 Allowance For Interruption Of Service

A credit allowance will be given when a Private Line Service is interrupted for more than two hours. Credit will equal one half (1/2) day, or one sixtieth (1/60) of the monthly billing charge, for every outage less than four (4) hours. The credit will equal one day, or one thirtieth (1/30) of the monthly billing charge for each twenty four (24) hour period, or fraction thereof, of an outage lasting more than four (4) hours. An interruption period begins when the Customer alerts the Company of the interruption and releases the circuit for testing and repair. An interruption period ends when the circuit is returned to the Customer in operating condition.

No credit allowances will be made for:

- a) interruptions due to negligence or willful misconduct by the Customer;
- b) interruptions due to failure of power, equipment, systems or connections not provided by the Company;
